Office supplies, the intern will have to bring at work-placement his own laptop:  Yes  No

Short description of the company/breve descripción de la empresa/institución:

The University of Turin is one of the most ancient and prestigious Italian Universities. Hosting about 70.000 students, 4.000 academic, administrative and technical staff, 1800 post-graduate and post-doctoral students and with 120 buildings in different areas in Turin and in key places in Piedmont, the University of Turin can be considered as "city-within-a-city", promoting culture and producing research, innovation, training and employment.

The University of Turin is today one of the largest Italian Universities, open to international research and training. It carries out scientific research and organizes courses in all disciplines, except for Engineering and Architecture. It is an integral part of the community, acting for reviving urban and suburban areas, promoting cultural interaction, social integration and development, encouraging dialogue and insight into current realities.

Knowledge, skills and competence to be acquired/conocimientos, habilidades y competencias que adquirirá el becario:

At the end of the course the students will have achieved the following goals:

- an in-depth knowledge of the themes
- analytical and argumentative abilities in the discussion of the texts pertaining to the tradition(s) explored during the course
- the capacity to integrate different notions, especially philosophical, metaphysical and religious ones.
- the capacity to write papers and present them, both on a lecture and in a team.
- the capacity to quickly acquire new notions pertaining to the themes discussed during the course, by selecting the correct methodologies and research techniques.
